WELCOME TO CLUB MOONER

How can the Best Damn Wine Club improve?
By offering more discounts and even better member appreciation. That's how.

As Mooner Members you will continue to receive the same Moondance Cellars, Orchard Station, and Friendly Dog wines in quarterly shipments. But, **here's the good part,...it will cost you less!** We're trying our best to keep all of our members in the fold, even through these sparse times. Things don't seem so tough when you're sipping fabulous wine. As a matter of fact, life is good. Yes?

From now on we are offering members a 20% discount on all wine purchases and wine club selections. Order any 6-11 bottles for 25% off. Or, if you spring for a case...**here's more good part...33% off!** –mix and match is okay. And, **yet more good part... shipping your orders will cost less**, as we are packing and shipping them ourselves.

Now for the “How do we know what to order part”. Call us. Make an appointment. Then, come tasting at the winery. Well actually, the winery is bursting at the seams with barrels, wine, and Wine Room display stuff, so the actual tasting is in our office. Or, if you can't come to us, you can go to the virtual us at moondancecellars.com, orchardstationwinery.com or friendlydogwinery.com.

And for the party part...David and I are very sorry that we are unable to host a wine club pick-up party for this March selection. But, David sends his best and wants to thank all of you for sticking with us. So, lets look forward to June. By then we should have a bit of room in the winery building, and more of a guarantee of good weather outside. We live in a beautiful part of Sonoma County and we're anxious to share it with friends.

“What about Bette?” you might ask. Well as she says, “Above ground and taking nourishment.” She misses The Wine Room and all of the friends she has made there. But at 85 she can still party with the best of us. So, you can bet you'll see her in June.

Enjoy,
Priscilla and David
